This program is for the whole family, as long as children are old enough to be able to read the intertitles. So bring you children and/or grandchildren. and anyone else that you think would enjoy this film. We will be seeing the 1923 silent comedy film "Safety Last", starring Harold Lloyd. The film includes a musical soundtrack. The famous highlight of the film is Harold Lloyd climbing up the side of a tall building (please see the picture above). **If you are likely to attend this program, please notify the Synagogue office by phone or e-mail (please see near the bottom of this flyer for contact information).**

Light refreshments, including popcorn and ice cream, will be provided. The program is open to the public, with no charge for admission or for refreshments, but attendees will have the opportunity to make small voluntary donations to support these programs.

Please spread the word about these programs to people you think might enjoy them. Suggestions for new programs, and requests for repeating prior programs are always welcome, and will be given serious consideration.

NEXT MONTH'S PROGRAM
